Min Woo Lee

Quick Quotes

Q. What impresses you about Minjee and her game and just her as a person?

MIN WOO LEE: Yeah, I called it a couple months ago that she was going to win, and that's very -- hopefully she gets it done on the last hole. But, yeah, it's nice to be a major and her game is built for the majors, she's very solid and her mental side is one of the best I've ever seen. So mix that in with some good putting and good short game and, yeah, she's going to win. So, no, it's very exciting to see her back in the winner's circle and I'm very proud of her.

Q. What's one thing you you've learned from her along the way?

MIN WOO LEE: Just the way she carries herself on the golf course. She's a very level headed and she, you know, you I always say she's a robot, she is, she doesn't make that many mistakes, and she just goes along her business, so it's very cool to see that it pays off and, yeah, she's had a really successful year, so a successful career, I would say, so it's really cool.
