### Quick Quotes

**Q. Nice way to finish the week, overall assessment of the week in general?**

RORY McILROY: Yeah, as you said, it was a good way to end the week. Yeah, sort of good, positive vibes going into a couple-week break here and get ready for Scotland and The Open Championship. But, yeah, definitely saw some positive signs in the game overall, which was really good to see. Yeah, looking forward to getting back over to my neck of the woods for a couple weeks and be prepared for a little bit of links golf.

**Q. What were the best signs you saw this week out of your game?**

RORY McILROY: I drove it better, but I felt like I started to drive it better at Oakmont, so that was really good. I putted the ball well, feel like I finished up there in the putting stats.

I think as well playing in a little bit of wind a couple of days here, trying to control your ball flight with irons a little bit, feel like that was good. Yeah, overall felt like my game was certainly better than it has been the last few weeks, which is a good sign.

**Q. What can a couple weeks off do for you as you go into another big stretch of golf?**

RORY McILROY: Yeah, I think more so than anything else it will just be good for me mentally to take a little bit of a break and, yeah, as I said, get back to my neck of the woods, get back to the U.K. for a little bit, excited for that. Yeah, I've alluded to the fact I probably haven't taken enough time off or time to reflect after what happened in April, so I'm excited to do a little bit of that over these next two weeks.
