## Russell Henley

### Quick Quotes

**Q. Awesome finish, one short, but what you do you take from that moment and the week overall?**

RUSSELL HENLEY: Yeah, electric crowd. Pretty awesome to finish like that. Played really solid this week. Today I wasn't doing a good job of getting it close enough to the hole to make a ton of birdies and when I did hit it to 10 or 15 feet I just didn't convert as much as I would like. But I feel like I hung in there and did a lot of really good things.

**Q. With Keegan might be your Ryder Cup captain coming up, but what impresses you about him and his game?**

RUSSELL HENLEY: He just plays with so much passion. He wants it, he wants to compete, he wants to win. He just, it just means so much to him. That was a really, really cool moment on 18. I definitely feel for Tommy and I've been in that situation before and it stings, so it's the nature of sport.

**Q. You're making a strong case for the Ryder Cup, do you think Keegan as well possibly being a playing captain or do you think that that could be a possibility or something that he could handle?**

RUSSELL HENLEY: I mean, I hope so. I mean, he's what 15th in the world and just won? So probably close to 10 now. I mean, he's playing great. He's been playing great. I think he would be a great teammate.
