Quick Quotes

Q. You started out, got a few birdies early, finished even for the day. Talk me through how you felt out there with your game.

DUSTIN JOHNSON: Yeah, I played better. Obviously the finish there, had a really good look there on 6 that just burned the edge, and then 7 I just -- it was a terrible shot, caught it a little heavy. And then honestly, just the finish, I just lost a few shots there bogeying 7 and 8, missed a short putt on 6 and then obviously not birdieing 9. Just didn't hit the fairway.

Yeah, played solid. Definitely much better than yesterday. Obviously didn't score that well coming down the stretch, but I played well. I'm happy with the game.

I think still on this golf course with the conditions that we're supposed to have the next couple days, I don't feel like I'm out of it. I'm going to have to play really well, but I like where I'm at. I think obviously two solid rounds and right back in the mix.

So hopefully -- it was a little better today, get a little better tomorrow and then even better on Sunday, and I'll be right there.
