### Quick Quotes

**Q. Just would love to hear about this week, playing so close to home, being local, about the whole experience. How was it?**

BRANDON WU: I think it was so cool. It was such a thrill to be able to get to hit the first tee shot, to stay at home for a U.S. Open. Yeah, just kind of tried to soak it all in. Obviously it's a tough golf course and I didn't have my best this week, but I mean, at the end of the day I think it's all smiles and just move forward and kind of enjoy these experiences. They're pretty rare, and it's pretty special.

**Q. What's next?**

BRANDON WU: A couple more events on the Korn Ferry to finish out this year, and yeah, get ready for next year.
