### Quick Quotes

**Q. Another top 10 in a major. How would you grade your week of play?**

DUSTIN JOHNSON: I played really, really nicely I felt like. Just didn't hole any putts was the key. For me, I hit it really nice. I hit a lot of great shots, gave myself lots of opportunities for birdie. Just didn't hole enough putts.

**Q. First U.S. Open here since 1948. What was it like playing an Open in Los Angeles?**

DUSTIN JOHNSON: Yeah, I thought it was great. Course was fantastic. Obviously especially the last couple days it was firm and fast and it was all you wanted for a golf course.

It was awesome being right here in the middle of Los Angeles and right in the middle of Beverly Hills. Felt like it was a great setting for the U.S. Open, and it turned out to be a really good championship.
