

# U.S. Women's Open

Thursday, July 6, 2023

Pebble Beach, California, USA

Pebble Beach Golf Links

## Michelle Wie West

### Quick Quotes

**Q. Do you mind just talking about what the experience was like out there today.**

MICHELLE WIE WEST: Yeah, it was great. I mean, felt like I played great. Just made a lot of really stupid, rusty bogeys.

You know it's funny, spend like the last year picking up those small putts and not thinking about them. You're like, oh, wow, I have to make all these.

So definitely just didn't feel comfortable with the putting today. Just couldn't get the pace down early on. I felt like I played great. Got one really bad bounce, I mean, lie, I don't know what you call it, tree.

But other than that, I feel like I hit the ball pretty well. Just was pretty rusty. Overall, was pretty special to see just huge crowds out here all cheering for our group. It was really cool.

**Q. How did the course play overall?**

MICHELLE WIE WEST: It played shorter today for sure. It was firmer. Honestly, besides the first couple holes the wind wasn't really up. I felt like it was playing on the easier side, so makes it more frustrating when you felt like you could do a lot better. You know, it's just the way golf is.

**Q. And last question: How was it having Johnny on the bag today?**

MICHELLE WIE WEST: It was great. Had some really great reads out there. Made him rake a few bunkers out there. He did great.
