Quick Quotes

Q. How did the course play today compared to yesterday?

BROOKE HENDERSON: Well, I found it a lot tougher. In the morning I thought the greens would be a little bit softer, and they were initially, which is kind of nice. But today is very windy, so I was glad I was in the morning compared to this afternoon. Maybe it won't get any windier, but usually in the afternoon it does a little bit.

It was a little bit tougher out there. Didn't really make any birdies, which is kind of why I shot over par.

Q. How did your game compare today versus yesterday?

BROOKE HENDERSON: Just the birdies. Honestly yesterday I made three bogeys, too, but I made four birdies to kind of counter it, and today just couldn't really get it rolling. Hopefully go on a rip this weekend and see if I can climb the leaderboard.

Q. Bogeys on 4 and 6; talk us through those.

BROOKE HENDERSON: Yeah, those hurt for sure. Those are definitely birdie holes, so you want to be putting for birdie, not trying to save par. That was unfortunate. But just a little bit errant tee shots. Hopefully fix that on the range this afternoon and hit more fairways tomorrow.

Q. What are you going to work on at the range?

BROOKE HENDERSON: Yeah, just like off the tee I was struggling a little bit with driver and my woods, so just try and clean that up a little bit. It's not too far off, but out here if you miss by a little bit, you're kind of paying the price. Just clean that up and hopefully just give myself some more birdie looks.
