Pebble Beach, California, USA

Pebble Beach Golf Links

Brooke Henderson

Quick Quotes

Q. Can you talk about this week and how you played and how it was to be here at Pebble Beach?

BROOKE HENDERSON: Yeah, it was an amazing venue. I'm super excited that we got to play here this year. It was a very challenging course, especially when it got windy out here on the weekend. It played really tough. It was nice to get a solid finish here and be close to the top of the leaderboard. I'm excited to watch the rest of the finishers here and see what gets it done.

Q. Next year you're going back to Pennsylvania, a course that you played well on eight years ago. What are your memories of Lancaster and the crowds?

BROOKE HENDERSON: I love that one. Yeah, the crowds were amazing. I had a really good finish there, T5 back in the day, so I'm excited to get back there. I feel like that course really suits my eye, and hopefully have another top finish.

Q. What is it about that course that fits your style of play?

BROOKE HENDERSON: Well, one, the energy that the crowd brought was incredible, and I look forward to that again. But just the style of play, the greens, they break a lot, I remember, and you really have to be a solid ball striker. The rough was really thick, as well. I think ball-striking will really be key, and hopefully I hit a lot of greens and see if I can make some birdies.
