Quick Quotes

Q. Can you walk me through your round.

MAJA STARK: I struggled a bit, especially in the beginning. I was pretty nervous. Didn't really dare to swing it fully.

Yeah, had a hard time in the beginning but then had a good back nine. Made some good putts. Made a couple up-and-downs that were important.

I really enjoyed the last three hours.

Q. Can you just kind of sum up your week for me at Pebble and then tell me what your favorite parts were, as well?

MAJA STARK: It's been so nice. This area is so pretty. Feels like we've had stuff to do morning, day, and night. It's just been so fun to play here and be here in the area. It's beautiful. I've enjoyed every moment.

Q. You're tied for 10th right now and that's your best U.S. Open finish yet. How does that feel for you right now?

MAJA STARK: It feels really good. I haven't really gotten a result like this in a while, so it feels nice to be back and playing well and making putts again like I was in the beginning of the year.

It feels really good. It gives us a lot of confidence.
