## Ayaka Furue

### Quick Quotes

**Q. What were your thoughts on today? What worked for you specifically?**

AYAKA FURUE: Well, actually I think many of my shots worked out great and I got the birdies when I wanted to, and even if I fell short I was able to do some par saves.

So generally speaking I think the putter worked very well for me today.

**Q. What were your thoughts on the week as a whole here at Pebble?**

AYAKA FURUE: Well, as a whole, you know, I think for the last three days I was able to watch the beautiful vistas, played a challenging course of course, and I was able to take it all in, sort of experience it, and be here for that.

That was great.

It led to my having more confidence in general.

**Q. And then the last question: What does it mean to you to be able to play in the first U.S. Women's Open here on this course?**

AYAKA FURUE: It's such a stunning and famous course after all, so that in itself was a great gift to me and great experience.
