## Austin Eckroat

Golf Channel Interview

**Q. Austin, you just earned another point for the United States and you were talking about that balance. How do you take care of business when what's going on inside is not what it looks like on the outside?**

AUSTIN ECKROAT: Right. This week is a lot of fun, and getting here Monday or Sunday when we got here, we're having a blast, and then lights are on and it's completely different. Coming down the stretch on 16, 17 and 18, it felt like a national championship. I was nervous playing against Angus. It's really hard to get yourself in that mindset, but this tournament, it brings it out.
