Quick Quotes

Q. So you're in the quarterfinals; what's going through your head?

KATIE LI: I'm really excited. This is beyond what I expected. I kept my expectations low this week and I was just taking it one shot at a time, and I'm glad I made it here.

Q. What's working well with your game this week?

KATIE LI: I think the more I've played, the more I've figured stuff out. I was like really struggling with hitting the ball earlier this week, and putting and chipping, as the match has progressed, I've really got into my rhythm, and I think that's probably it. I'm feeling more comfortable out here.
