Quick Quotes

Q. What are your initial thoughts about the course?

JUDITH KYRINIS: Well, the greens are just so challenging, so you're just really trying to put yourself in a good spot, half the time just to two-putt and get out. Any USGA event, par is your friend, so that's kind of my mantra here this week is just keep it below the hole if you can and just in play so you can get out with a par.

Q. At this time you're currently our lowest Am on the board; is there a sense of confidence that comes along with that knowing that you've been in those shoes before in this championship?

JUDITH KYRINIS: No, I'm not quite sure. This course has a lot to offer, and I think it can change in a heartbeat out there. So I'm just trying to keep it the old standard one shot at a time, but there's certainly lots of golf to play anyway.

Q. What does it mean to you to be playing in this championship again for the fourth time?

JUDITH KYRINIS: Well, it's very special. It's certainly quite different from our amateur events, so it's a real privilege to be here as an amateur, to play with these legends, and they're always so kind, and it's just -- I love to watch how they play. They've done this for decades, and for me it's special to be out and watch them play.
