#### Q. How is the course playing?

ANNIKA SORENSTAM: Good. I mean, it was a little shorter today, so I think that just makes me a little disappointed that I didn't take advantage of it. I had some chances but then also made some mistakes. It's disappointing, but I think it's a really fair golf course. Great condition, everything about it, and it's fun with the par-5s being able to go for it, and I kind of missed a few in the wrong place to do that.

Yeah, could have been a few better, but looking forward to the weekend. I've got to sharpen up my game, especially my putting, and then we'll see what happens.
