### Quick Quotes

THE MODERATOR: We're going to welcome Judith Kyrinis, our low amateur. What is it about you and Waverley Country Club?

JUDITH KYRINIS: It's a pretty special place. I've always said that. Obviously very good memories here, and they flooded back as soon as I got here on property. I don't know, I just really love it here. It's great.

**Q. You've also played well in this championship before. Looks like it'll be your second time as low amateur. What is it about this event that brings out the best in you?**

JUDITH KYRINIS: Well, I just think it's USGA events. I just think, keep that ball in front of me, one shot at a time. I know it's really boring, you hear that a lot, but it really truly is sticking with your process.

Us ams, we all get a little outcome orientated at times, so really I've been on a little bit of a roll, so this is great. Yeah, just continuing on.

**Q. How did the course kind of play compared to 2017?**

JUDITH KYRINIS: Well, the last few days definitely played more like it. It was firm and fast. The first couple days were a little softer, so as the sun baked this place out, definitely similar coming into the weekend.

**Q. Very close one here. Obviously with the par-5 finish, two par-5s finishing, what can we expect from the leaders out here in a few minutes?**

JUDITH KYRINIS: Well, I think definitely birdie opportunities for them. I'm just trying to get the ball in the hole myself, but yeah, for sure it's going to be exciting because these two par-5s are fun finishing holes for sure.
