Quick Quotes

Q. Overall a really solid week for you. What are your main takeaways from this tournament this week?

EVAN BECK: Really tough format. Jack played really well. Made a bunch of birdies coming in, and he made birdies, too. Just part of the deal. A lot of luck involved in the format. I was lucky last year and not this year. That's the way it goes.

Q. That's just part of it; the format is so tricky. You've been on the winning side before. What does it take to win a tournament like this?

EVAN BECK: Luck, for sure. You catch a guy that makes however many birdies he did, and I made a bunch of birdies and lost, and someone could have won -- whoever the other match was could have shot even and won. That's just the luck of the draw. Hat's off to Jack; he played great for sure.

Q. I know the competition season is coming to a close, but do you have any other big events coming up?

EVAN BECK: My wedding. No more golf, this is it.
