### Quick Quotes

**Q. Another fantastic round. This was a lot of golf to play in one day. Did you guys go into this round with just a lot of conditions from the last round?**

CASEY WEIDENFELD: So I had played pretty good in the first round and I just wanted to keep the momentum going and I feel like I did.

**Q. You guys had a really quick 1, 2, 3 birdies in a row.**

CASEY WEIDENFELD: Did we have three in a row?

JILLIAN BOURDAGE: I was the third birdie on 10.

CASEY WEIDENFELD: Oh, that's right.

**Q. So what was that momentum like? Did you guys just get really excited and keep going? I know that you said that you had really been aiming for pars?**

JILLIAN BOURDAGE: She made two birdies back-to-back and I was like, okay, I'm going to step in here and pop one close to the hole.

CASEY WEIDENFELD: She hit it to two feet. It was two feet. It was like so close. Yeah, she hit an 8-iron to two feet.

JILLIAN BOURDAGE: On hole number 10 I put an 8-iron to two feet and I was really happy I figured out my irons by that time in the round. I struggled a little bit in the beginning, but that's why you have teammates. So she was really killing it on the front nine, so...

**Q. Quarter finalists are exempt into next year's championship.**

CASEY WEIDENFELD: Oh, yeah.

**Q. So what does that feel like?**

JILLIAN BOURDAGE: Exciting.

CASEY WEIDENFELD: We hope we can play. Because of NCAA it may conflict with Jillian's schedule. Since I'm redshirting next year it's not a conflict for me, but hopefully it won't be a conflict so we can go. That would be awesome.

JILLIAN BOURDAGE: This is our favorite tournament, so we always love coming here.
