ALEXANDRA SNYDER: Yeah, I'd say for it being my first USGA event, it was pretty cool to be by her side and make it to the finals.

Q. Congratulations on an amazing match. You guys obviously balled out this championship. Can you talk about your resilience? You obviously had a really big lead going into the championship match and you hadn't really had to play all the way down the stretch. What was it like to get that experience going down to the wire in a big match like that?

ALEXANDRA SNYDER: Yeah, we didn't have our best stuff today, but we fought hard. We got it tied back going into 18, tied 18, and just unfortunate playoff hole. We had a lot of fun this week, and Grace played amazing.

GRACE CARTER: Well, it would have been a lot easier if I would have made a couple putts the second round. I'm pretty sure like nothing went in.

ALEXANDRA SNYDER: Chicken tenders didn't really kick in today.

GRACE CARTER: No, they didn't.

Q. You guys are so young and early in your career. How do you take your experience this week as you move on to playing in bigger and bigger tournaments through the rest of your career?

ALEXANDRA SNYDER: There's a lot to learn from this. We played really well throughout the week. Just unfortunate turnout, but we'll be back.

GRACE CARTER: Well, it was an amazing experience, and next time we'll come out on top.

Q. You obviously played a lot of golf this week. What are you most proud of with what you guys accomplished this week?

GRACE CARTER: Making it to the finals.
