## Jin Young Ko

### Quick Quotes

**Q. Here with Jin Young Ko. What was the mindset heading into today?**

JIN YOUNG KO: Well, I didn't expect I would play in the playoff, because five shot behind Megan, but I know if I got lots of birdies it would be chance to win.

It was close, but, yeah, I played really well today -- I mean, the last four days awesome, so I'm really happy to be back in great performance from my game.

Yeah, always happy to playing in front of like Canadians in Canada.

**Q. How would you assess your tournament overall, your experience here at the CPKC Women's Open.**

JIN YOUNG KO: Yeah, a lot of Koreans out there so I got a lot of good energy from them. Yeah, I didn't expect this much fans out there would come so I was really happy to like showing the great performance.

**Q. What do you take away from this week as you head into the rest of the season or the next event?**

JIN YOUNG KO: Yeah, well, I didn't play next week, but, yeah, I mean, just really happy to finish second because the last few months I had struggles, so I didn't know how to play really well.

Then I forget everything to play golf, but, yeah, this week was like I'm really happy to, yeah, back, yeah.
