Ruoning Yin

Quick Quotes

Q. Here with Ruoning Yin. I mean, really solid round. 3-under today. Just walk me through your day.

RUONING YIN: I think for today I just was little struggle on my driver and approach shot.

But luckily I just -- I think I made four birdies and two is chip-in, so I think my wedge performance was pretty solid today.

Just need to work on my approach shot a little bit.

Q. Do you think the need to work on your approach, is that because of the wrist injury, do you think?

RUONING YIN: Yeah, because I think I got four weeks didn't touch my driver and my irons, only putting and wedge, so I think it's kind of not my best right now.

Q. Even not your best, still 3-under. Playing in the final group. Is that a new experience? Obviously you won on the CLPGA. Was it nice to be in the final group and in that contention environment?

RUONING YIN: Yeah, be in the final group always is exciting, and I think just even I didn't make much cut in the first half of the year, I think I still learned something from it.

So I think good to be back in a final group.

Q. Heading into tomorrow, what's the mindset? Going to be chasing, but just three back though. Nothing too crazy. What's your mindset? Are you a player that likes to go for it and see what happens or do you stick to your game plan?

RUONING YIN: I think I go for it when I should go for it. I think just play my game, yeah.
