Carlota Ciganda

Quick Quotes

Q. Here with Carlota Ciganda. Going to being chasing heading into Sunday. Not a position that you're unfamiliar with. What's the mindset as you head into the final day?

CARLOTA CIGANDA: I play pretty solid today. I thought was the worse I could have shot today, 2-under, so I'm happy the way I'm hitting. I'm trying to make as many birdies as I can tomorrow, be aggressive, yeah, keep hitting greens, hopefully make a few putts.

I think 6-, 7-under could be good for tomorrow.

Q. Does that feel like it's in your arsenal? You've been playing some really good golf. Irons have been great. Does that feel like it's in the tank?

CARLOTA CIGANDA: Yeah, I mean, I talk to my coach this morning and he told me a couple things, and I was pretty comfortable out there.

I think it's still a course you have to really be focused on the shots you want to hit, because can be tight a few times.

But, yeah, hit some great wedges into a few of the shots. I started with two bogeys, so that was a little slow start.

But overall happy with 2-under. Hopefully I can have a low one tomorrow.

Q. And then just finally, I ask this question a lot. Go for broke or play it safe? A lot players said they'll stick to their game plan. When you're chasing, is there any reason to not go for broke?

CARLOTA CIGANDA: I mean, I think you want to look at the pins and see. There are some pins that you can just go for them; some of them maybe you have to play a bit more conservative.

At the end, I think, yeah, I mean, I want to win so I need

to make birdies. I think I'm going to play aggressive but with the brain.
