## Linn Grant

### Quick Quotes

**Q. LPGA winner, Linn Grant. Does the reality of winning meet your dreams of winning?**

LINN GRANT: Yeah, I've been thinking about it all day. I think I've imagined this day so many times in so many ways in my own mind. No, just being here now, I'm just so speechless and at the same time I feel familiar with the setting for some reason. But it's just so fun.

**Q. At the start of the day you had a six-shot lead. How tough was it starting the day knowing that you had such a big lead?**

LINN GRANT: I think it was quite, you know, I could be a bit more relaxed, but I also knew that, I mean, this course is very scorable. So, in my mind, I was just thinking that someone was going to shoot the same score I did yesterday. Obviously the conditions are a bit tougher today, but that was my game plan and mindset coming into today.

**Q. Was there one point during the course of the day that you thought, I got this, this is my championship now?**

LINN GRANT: I don't know. Probably on 17. I felt like I saw Allisen was 17-under and I knew having that birdie putt on 17, if I holed it or not didn't really matter, I had a three-shot lead coming into the last one.

**Q. You've had success at the Evian Golf Course. We're going there as our next major. How much confidence does winning here mean that you can take into that major coming up?**

LINN GRANT: I feel like I'm in great form at the moment, obviously. I really like that golf course. I played well there both last year and I had a win there this year. So I'm really excited to go back and play there again.
