Quick Quotes

Q. All right, here with Mao Saigo after her second round here at the Dana Open. Bogey-free round today. What was working so well for you?

MAO SAIGO: My tee shots are very consistent and that led to a good score.

Q. What have you made of Highland Meadows? Is there something about that course that fits your game really well? Anything you're still trying to navigate out there?

MAO SAIGO: I've been struggling with my putting this year, but it's been getting better since I got here. I'm still looking for something, so if it gets better I think that will lead to a good score.

Q. What are your thoughts heading into the weekend? Any change in the strategy or same as you've been practicing?

MAO SAIGO: Play consistently like today the rest of the week.
