Q. Okay, here with Charley Hull after her second round. Charley, I know Kay asked this question, obviously really great round yesterday; another solid one today. How did you stay mentally ready and trying to follow up a really good round?

CHARLEY HULL: Obviously in your head you're like, I want to try and shoot 60, like was not far after yesterday. Yeah, just went out there, played golf, had fun, and that's it really.

Q. Several birdies out there. Any stand out in your mind or any shots that you were particularly --

CHARLEY HULL: I hit some really good chips out there and even some good saves and played solid. Just looking forward to the weekend now.

Q. Yeah. Moving day tomorrow. How do you put together another good round in the afternoon? I know --

CHARLEY HULL: Just got to stay positive. Just literally just go out there, have fun on the golf course, because what's the point of being on the golf course if you're not having fun. Enjoy it, whatever you do out there.

Q. Condition is different in the afternoon.

CHARLEY HULL: Yeah, definitely. Yeah, it's nice. I like it. I like it a bit tougher.

Q. Yeah, wind?

CHARLEY HULL: Yeah.
