Quick Quotes

Q. Okay, here with Sei Young after the second round of the Ford Championship. Two days now close to the top of the leaderboard. What can you say about your past two rounds out here?

SEI YOUNG KIM: It's hot yesterday, but today is pretty lower, the temperature, so played very fresher.

Yeah, depend what the temperature is the ball flight distance; between 10 and 20 meters different.

So, yeah, it's a different golf today, so, yeah, it's a lot of fun. I had a lot of opportunity to make the birdie but almost finish -- hole 17 I mistake to the wrong side so it's got in the bush so I made double bogey.

But, yeah, I finish par last hole, so, yeah, it's going to be cool.

Q. What do you take from your game from the past two days?

SEI YOUNG KIM: Just mentally, yeah, just keep compete with myself, so just do my best every single hole.

Then, yeah, I like Arizona, the golf courses. Yeah, a lot of fun.

Q. We heard a lot that there is a lot of not blind spots, but you have to pick your landing spots out there. Do you agree?

SEI YOUNG KIM: Yeah, it's tough to see where is my ball finish from the tee shot. Even I hitting good, my ball finish right behind the tree, so it's kind of tricky.

But it's kind of golf course testing different, so, yeah, but I have good strategy.

Q. And I know not the finish you wanted like you mentioned, but what are your thoughts going into the next two rounds this weekend?

Presented by

SEI YOUNG KIM: Just focus until the end. So last three hole I lose my focus, so, yeah, just keep strong finish until the final round, that's what I want.
