Quick Quotes

Q. Okay, here with Haeran after the third round ever Ford Championship. Solid round today to be near the top. Can you talk about what went well for you?

HAERAN RYU: Today weather is pretty windy and so much farther from course, and then another two rounds, so I just focusing for the -- on the green and try to birdie more. I just want to make some more chance for my second shot, but, yeah, and then I do.

Today is pretty good finish.

Q. Yeah. You had several birdies out there. Looked like you had two to start, too. Can you talk about those first two holes and what you were feeling like after those first two holes?

HAERAN RYU: I just try to more calm, because today my goal was bogey-free round, but I it's fine. Yeah, almost. And then after two birdies and just make some more calm and more sensitive for my golf.

Q. And I know you mentioned the bogey, but you responded very quickly with a birdie to erase it. What can you say about that, those finishing holes?

HAERAN RYU: On the 16th everything was good, but my first putt a little bit far and pass a lot the hole and then I miss the short putt. But it's fine. I have one more round, and next hole I think short par-5 and I can make some birdie.

Yeah, I try to more calm again.

Q. And do you have any thoughts heading into tomorrow's round, too?

HAERAN RYU: This year starts not bad, but not good, so first chance on the top 10 for this week. This week is my sponsor Ford, so I just want to try to more perfect round and then final round my goal is bogey-free again.

Q. And I forgot you were sponsored by Ford. What's it like to be at the Ford Championship as one of your sponsors?

HAERAN RYU: Yeah, it was so exciting, but last year is first year on the Ford Championship, but my score was pretty bad and I just played two rounds.

But this year much better than last year and I want some more, yeah, perfect round on the final round.
