### Quick Quotes

**Q. Okay, here with Jeeno after the conclusion of the Ford Championship. Can you just summarize this week of golf for you?**

JEENO THITIKUL: I would say it's a really great week. Some of my like iron shots and driver doesn't show up much, but like I proud and then like kind of really appreciate everything that's going well. Not like 100% but 90 of it, which is great.

Being in Top 5 maybe, great enough, because if you going to say -- beginning of the first round if you going to say I'm going to shoot 20 and Top 5, I'll take it.

**Q. You moved up the leaderboard throughout the round today. You had three birdies in a row on the back nine. Were you looking at the leaderboard and where you were?**

JEENO THITIKUL: No. I didn't look at the leaderboard at all. I just knew that like -- I knew that I had kind of like 6-under, was 6-under through like 12. But I knew that all the girls can be like so low, so it's kind of reachable par-5 a lot this course. And then also like short holes coming so I just trying to make as much as birdie I can.

**Q. Yeah. And this is your third Top 5 finish just this season. What has it been like to come from course to course and adjust and have these great finishes? Do you think it's something you keep doing and you're familiar with it?**

JEENO THITIKUL: I just trying to do it. Like consistency-wise is the most important thing in my golf career. Like we want to win, but also like being consistency is also not easy for all the golfer.

But like play week in, week out, your mind kind of sore, your body kind of sore, but I just trying to go have fun. I knew it's going to have a lot of adjustment on grass, weather, wind conditions-wise, but sometimes you just have fun.

You know, like if it's going to be your week it's going to be your week.

**Q. And you didn't play here last year because you were out with injury. What's it been like to play this stretch that you missed out on last year?**

JEENO THITIKUL: It's kind of nice to come back and see how the golf course was and how they hosted this event.

I think I played like two years ago and then now they change the title sponsor sore which is way better because we have Ford for the ride and then just thank to Ford for the ride.
