**Q. Here with Gaby Lopez. Just finished her round up what's the level of satisfaction with the score that you posted today. Looked like you were playing some really good golf out there.**

GABY LOPEZ: Yeah, you know, just a little sour taste. Hit the ball very, very nicely, very solid. Yeah, golf is always -- has this amazing taste that it kind of brings you to come back tomorrow with a better attitude.

We'll see what happens.

**Q. The conditions were pretty tough today. Is there an advantage when the conditions are like this knowing the golf course so well like you do?**

GABY LOPEZ: I think so. You know, the golf course did play very, very different from what with used to play. There is a lot of wind. Good thing is that the greens were soft so can still attack the pins. It's amazing to come back to the Razorback community area. I'm super grateful and very, very thankful for all the sponsors and the community to come support us.

**Q. What's the difference when you do come back here to play like this?**

GABY LOPEZ: It has a different feeling. It has like this kind of major feeling, right? That everything, everyone is cheering on you, and I think that everyone just wants you to do well, whether you play good or bad. So you have the positive vibes. Everyone is here for the Razorback Nation, seeing so many young kids, girls and boys getting inspired by us, and here I am. We hope we can change so many lives and we can see them all on tour in a couple years.

**Q. You played good today and I know you're going to do that over the next few days. You have a lot people cheering for you. Thanks, Gaby.**

GABY LOPEZ: Thank you.
