### Quick Quotes

**Q. All right, here with Piano after her second round. Amazing round today, especially your back nine, the front nine. Just talk about how you played out there.**

ARPICHAYA YUBOL: I feel today I'm play good. Like the green is soft like on the practice round. I think like I like this golf course. First time in here, and then, yeah, on the practice round I doing good and make me like confident for the first round.

And then until today, I think I play everything perfect; just miss the putt.

**Q. What was it about your game today? Do you think you just hit the shots really close or just made long putts? Was it one of those two?**

ARPICHAYA YUBOL: For today, right?

**Q. Yeah, today, especially those five birdies you had.**

ARPICHAYA YUBOL: I think today like I hit like close to the pin two holes and then I can made the easy putt.

And then especially hole 17, like that's like a how do you say, loud.

**Q. Like a big crowd?**

ARPICHAYA YUBOL: Yeah, big crowd, and I hit the first shot like over the green and I made a birdie, like chip-in the hole. And then that make me like so happy because like that hole like is a big crowd.

**Q. Yeah, it's known as the loudest hole.**

ARPICHAYA YUBOL: I see on the tee something like the birdie on this hole.

**Q. I'm not sure, to be honest. I know there is a lot of people on that hole cheering. You chipped in on that hole?**

ARPICHAYA YUBOL: Yeah, first time in here because last year I skip this week. I had to play the Asian Game for the Thai team.

**Q. What did you enjoy most about this tournament and being in Arkansas?**

ARPICHAYA YUBOL: I think everything. Yes, like the people coming like just walking and watching around.

And the weather is perfect. Like it's not too hot, not too cold. I love it.

And especially the green is soft. It's good for me because not only I hit -- like I don't have any like too much spin the ball, so it's good for me. Like I can land on the pin and then the ball is not go too much release and I can make a birdie.

**Q. Especially with those five birdies on the back nine, did you know where you stood on the leaderboard? Did you look at the leaderboard at all?**

ARPICHAYA YUBOL: Actually, I look on the -- yeah, I just looking like who are the leader now. Oh, okay, maybe I have chance like on the first nine, okay. But my putt is not work on the first nine.

I hit pretty good like many hole; just the putt like is not work. Maybe tonight I will bring the putter and like sleep together. Be friend tomorrow.

**Q. You've been in this position before. You were close to winning at ShopRite, correct, as well? Do you remember? You had a very good round at ShopRite I remember. You moved up the leaderboard.**

ARPICHAYA YUBOL: Yes, I do in the first round. It's really good.

**Q. What are your thoughts heading into tomorrow being close to the top of the leaderboard?**

ARPICHAYA YUBOL: It's just two strokes, right?

**Q. Yeah, two shots.**

ARPICHAYA YUBOL: So it's golf. Everything happen is happen, so I will do my best tomorrow. Try to make more birdie as I can do, and then everything happen is happen.
