### Quick Quotes

**Q. Really well played today, two eagles, one on the front nine, one on the back nine. Can you talk me through your round?**

PATTY TAVATANAKIT: There's not much wind going on, so it was probably the easiest day on the course today.

**Q. And how have you found the course this week? What's been your favorite thing? And what do you think is the most challenging?**

PATTY TAVATANAKIT: I feel like you don't have to be perfect out here, just scramble around the course and if you score well, you're going to be up there this week. Hopefully can do better next week.

**Q. How is it playing with your Olympic teammate, Ariya? She said you're an inspiration or young Thai golfers. How does that make you feel?**

PATTY TAVATANAKIT: It's special for her to say that and quote that on LPGA social media, but at the end of the day, I have a lot of fun and I feel like we've gotten really close from last week, and this week, so I just kept everything so light on the course and I was basically enjoying it the whole way for two days.

**Q. And so what do you reckon, what do you think is your goal for the rest of the season?**

PATTY TAVATANAKIT: Just going to keep improving, a couple shots here and there. I feel like I haven't played that four weeks off, just kind of throw me off with scoring a little bit on the course. Just got to clean that out and hopefully finish the year strong. A couple more wins would be great.
