## Jasmine Suwannapura

### Quick Quotes

**Q. Slightly windier conditions today. Can you talk me through your round today?**

JASMINE SUWANNAPURA: Well, I had a couple bogeys today, which is fair enough, you know. Couldn't really complain about that but there's so many birdie chance that I left out there. We talking about inches maybe. So overall, I think I'm still pretty positive about the tournament and just keep playing my game, give myself opportunity and we'll see what happens tomorrow.

**Q. Were there any particular holes you felt were more difficult today than other days?**

JASMINE SUWANNAPURA: I think 15, 16, I think those two holes is kind of hard and I did bogey 15, the par 3. Just because it's pretty windy and gusty when we are at the hole and I put myself in the bunker. The bunker, the only bunker I was in was that hole and it's because it's raining last night, I feel like the sand was compact a little bit in the bunker so it was very heavy in the bunker, and I could not hit it close enough to make par.

**Q. When you said you talked about being positive, you're still going to go in tomorrow most likely in the top 20 and you know, only one more round to go. Anything you're going to focus on specifically?**

JASMINE SUWANNAPURA: I mean, overall today, I think I played pretty good. I'm not complaining about today at all. It's just windier today and obviously it's harder, and the leaderboard, not really move too much. The leader only moved a stroke or a couple of strokes. That's telling me that today was not easy, and then pin position today was a little tricky, to kind of put it on a knob. I'm like, well, I don't know where it's going to go. Obviously today was a little tricky.
