Q. 5-under for the day, can you talk me through how you felt out there?

MORIYA JUTANUGARN: It was a good, fun day, pretty solid today. You know, like I just had a lot better commitment out there and that's what I'm trying to work on in the past. It's fun. It was a good day.

Q. What do you think was working so well for you out there?

MORIYA JUTANUGARN: For me, just what I say, working on my commitment. I had a lot more good commit today and I don't even realize that score or anything but it's just like hit a lot of like fairways and staying out of the bunker today. That's kind of helped too like give me chance for birdie.

Q. Do you find it's easier to not keep looking at the leaderboard and things like that?

MORIYA JUTANUGARN: When I start today, pretty far away from the leaderboard. I just want to work on my own thing. You know, just everything just prepare for next week and then see how I feel.

Q. What's been one of your favourite things about Dundonald Links and the course out there this week? Has it exceeded your expectations?

MORIYA JUTANUGARN: You know, Dundonald, we always coming back here and everyone likes it here. It's a good golf course. Modern links, but it's very nice golf course. It actually is very fun to play.

Q. Do you have any favourite holes?

MORIYA JUTANUGARN: Not really. Every hole is kind of like you have to pay attention around the greens. There's a lot of running off and that makes it tough. Just have to pay attention.
