Q. Round of 69, how did you find the conditions out there today?

CELINE BOUTIER: Yeah, I thought it was pretty tough. It was very strong winds, especially on the back nine, and yeah, you just had to be very careful with the tee shots.

Q. And there was a lot of good scrambling from you out there. How did you find your round and where your game is at so far this week?

CELINE BOUTIER: Yeah, I thought I played really well. I feel like I definitely scrambled very well especially at the end, and very happy with the way I scored.

Q. And what's it been like, obviously I know you had issues with getting bags and luggage and clubs and all that kind of stuff. How did that affect your preparation?

CELINE BOUTIER: Kind of had a forced day off on Tuesday but it's okay. I was relieved to have them on Wednesday and play the Pro-Am and see the course, so it was not too bad.

Q. And obviously you played so well last year, what do you think about this course suits your game well?

CELINE BOUTIER: I think it's just always so windy and I feel like my approach shots are pretty good with the wind because I keep trying to keep them low so I feel like I do enjoy when it's a bit more challenging just because you have to be really smart with the club decisions, and I feel like today I was able to hit some really good shots and made some good decisions.
