## A LIM KIM

### Quick Quotes

**Q. Very, very well-played out there today. Currently 4-under and a share of the lead. Tell me how you did.**

A LIM KIM: Today a very tough day.

**Q. Tough day because of the weather. There was a bit of everything out there. How did you cope with it?**

A LIM KIM: We started before, playing really hard but after we came, pretty different course.

**Q. It's the sort of weather that makes you have to go out there and be creative and think about things and stay calm. Is this the sort of golf and conditions that you enjoy? Usually better players do better.**

A LIM KIM: I try to enjoy because sometimes golf very hard and sometimes very easy. That is golf. So my plan always the same. Focus on the line and hit it, that's it.

**Q. When conditions are like this, it's very good preparation for next week, as well, isn't it. I mean, you want to play in sunshine and wind, rain, this is what you're getting?**

A LIM KIM: Yeah, same as this course. I have not been there but similar like this course. So I think great plan. I think so.
