Quick Quotes

Q. Tough day out there. Can you just talk me through your mindset about your round and just how you feel you played?

MINJEE LEE: Kind of up-and-down. You know, I didn't -- I just weren't as sharp on the back nine. I mean, I started pretty good. You know, I made two birdies in the first three holes, so I think I just didn't carry on the momentum. A couple of the putts just missed the holes, and it was pretty close to going in.

So I think with links golf, sometimes it is what it is and sometimes you just have to take it on the chin.

So I was just telling myself just then, overall, it didn't feel too bad but I think the score kind of didn't really reflect how I felt -- how I feel. So yeah, hopefully tomorrow I can get a bit more momentum going and make a couple more birdies during like the middle section.

Q. You know, going into tomorrow, only four shots off the lead and a lot can happen, links golf is very changeable. What are you going to do to prepare?

MINJEE LEE: I think I'm just going to try and get some good vibes with the putter. Go out and have a little practise, and then, you know, just have a good sleep and do all of the things that I can do to best prepare myself for tomorrow.
