Su Oh

Quick Quotes

Q. Su Oh, a nice round of 65 today. Warm out but you seemed to play well. Tell us how you played today.

SU OH: Yeah, I mean, I played quite solid I guess. Eight birdies and two bogeys. I putted quite well compared to yesterday. Like the greens, the first six holes I just couldn't get the bounces on the greens. It's so firm out there.

But you don't -- sometimes you just don't have anywhere to land so you just have to like make an up and down. But this morning a little bit softer, a little bit cooler, which is kind of nice. And the greens are fresh, and so took advantage of that.

Q. Any of the birdies that particularly stood out to you? Any long putts or anything out there?

SU OH: No, I think they were all about 15 feet. You know, there were all kind of -- like there weren't any gimmes, so there were good ones. I guess on 18 I hit it on for two, but then I left myself like a seven feet putt downhill.

So that was a good one, but everything else was good roll, putts(indiscernible).

Q. You've been playing really well of late. What have you been working on? What do you think is causing this -- something just happened over there -- strong play from you?

SU OH: I just -- you know, I don't think anything happens so quickly. Just been grinding, and it's kind of nice to (indiscernible) for a little bit.

Q. It's also nice -- there is a lot of fans around here. This is some of the biggest groups we've seen in a while. It's got to feel good to maybe feel like we're getting back to normal out here.

SU OH: Yeah, for sure. This is a really good golf course for spectators. I think one of the older golf courses, so tee-to-green is not that far, so I think it's a good place for

them to come out and watch. You can see a lot of the holes from one spot.

Q. It's 54-hole event. Just a few strokes off the lead. Tomorrow isn't moving day but the final day. What's the tactic for playing a 54-hole event knowing you're down to the last day?

SU OH: Well, not a lot different. Try and make a lot of birdies out there. There is a lot of birdies out there, so you just have to pick them up on the way. Probably if I don't drop a shot I feel like I've got a pretty good chance maybe.

Half the field hasn't gone out yet, so we'll see where I stand at the end of the day.
