Quick Quotes

Q. Here with Isi Gabsa coming off her second round at the ShopRite LPGA Classic presented by Acer. I don't know if you know this, but you have the low round of the tournament so far, 7-under. How did you achieve that?

ISI GABSA: I just wanted to stay patient out there. I was quite outside of the cut line this morning coming in this round.

I just wanted to stay patient and give myself couple of birdie chances, and there are quite a few wedge shots in where I know, okay, I can get my birdies.

And then I just started to putt good, started to hit them close, and then all of a sudden you're like 7-under going through your round, yeah.

Q. All right, great. And I saw your last birdie just came here on No. 18, which is the Aon Risk Reward hole. How are you finding that hole this week?

ISI GABSA: I always liked 18. It's a great hole. They moved the tees forward today so it was a little bit shorter in than yesterday.

But it's definitely a risk going for that green with the high stuff on the left and the right side, but if you get on and you make the putt, you're definitely going to move forward in that challenge, too.

Q. What does it mean and how important is it, I guess, to just take advantage of moving day like you did today?

ISI GABSA: It's just -- I always see it as one day by a time. I'm not really seeing it as a moving day. It's just one day and you just want to win that one day, and if you do win at that one day, you did a good job.

Q. What's the strategy going into tomorrow knowing anything can happen? Last year Celine Boutier was

five strokes behind and was able to win.

ISI GABSA: Same thing. Just staying patient, give myself quite a few birdie chances. If they fall, they fall. If not, you just keep them going and try your hardest.
