Quick Quotes

Q. Here with Brittany Lang coming off the final round of the ShopRite LPGA Classic presented by Acer. Pretty solid round. Saw you got off to a rocky start but didn't matter after the third hole. Can you take us through the eagle you got on 3 there?

BRITTANY LANG: Oh, man, it was so nice to capitalize on these par-5s. I haven't had an eagle all week and really haven't taken advantage of them.

Yeah, started out with a couple bogeys but I knew there was a birdie opportunity. I hit a good drive and a really good hybrid; had probably like a 20-footer from off the green.

You're just looking to have good speed and make a birdie. I think I just put a good roll on it and stole one there.

Q. Throughout the week it seems you've been playing really consistently. You haven't been at the top, but you're certainly up there now. How important is it to just play consist on this course to put yourself in contention?

BRITTANY LANG: Yeah, this is a fun golf course. The par-3s are tough. You can reach all the 5s. The par-4s are short. It's fun, a lot of fun.

With these greens it's very important to have good speed and make a lot pars when you're not attacking and just -- because there is a ton of birdie opportunities. I think I did a really good job being smart and then just taking advantage of the easier holes.

Q. You've played in ShopRite a lot. Tell me what you really like about this tournament and competing here.

BRITTANY LANG: We draw great crowds here. Nice people, great crowds, a lot of families, which is cool. I think this golf course is a very fun golf course. It's just a nice area right here with the hotels and everything.

Just super nice.

Q. And so you're sitting here at 8-under, sort of near the top. You hope you've done enough. What's the plan? Going to wait here for a little while?

BRITTANY LANG: I don't even know where I stand. I haven't looked at a scoreboard all week. I was trying to focus on golf. I did a good job. I have not looked at one scoreboard all week, so I have no idea where I stand.

Q. You're up there.

BRITTANY LANG: That's good. I'm very pleased.
