## Nanna Koerstz Madsen

### Quick Quotes

**Q. All right, here with Nanna Koerstz Madsen after her final round here at the ShopRite LPGA Classic. Do you feel like you wish you had another day here after such an incredible round?**

NANNA KOERSTZ MADSEN: Yeah. I wish I could change yesterday's finish, but I'm just really happy to see my game getting better and putting some scores up.

**Q. Eight birdies. What was the key to that out there?**

NANNA KOERSTZ MADSEN: I hit some close on the back nine and made some good putts, so, yeah, that was the key.

**Q. How was the course playing differently today?**

NANNA KOERSTZ MADSEN: There was quite a lot of wind out there and the wind changed a little bit from the other two days.

I feel like the greens were a little bit more true in the afternoon yesterday. Yeah, a little bit more wind.

**Q. And one of your best finishes this season. How happy were you to just play your way towards the top and see your name climb the leaderboard?**

NANNA KOERSTZ MADSEN: It's been a while since I've been up there, so just really happy. I just really wanted to finish well and not finish with something stupid, so was happy to close out with a birdie.
