### Quick Quotes

**Q. All right, I'm here with Yan Liu at the ShopRite LPGA Classic. Great round today. Great finish. Can you walk us through your front nine. Two bogeys and four birdies out there.**

YAN LIU: I kind of nervous today front nine holes. I very nervous because I'm first time I play good at LPGA Tour.

So I just talk with my caddie. We have very many joke. We talk a little bit with my caddie, so I kind of find my feelings back.

So I do pretty good back nine, yeah.

**Q. Yeah, looks like you settled in there and made two birdies on the last three holes. Were you putting any pressure on yourself in the last few holes?**

YAN LIU: No. I just want to be myself, to be best. I have a very good driver this week and putting also good, so I very confident with last two hole.

Last one, you know, a lot of people is watching us so I feel very hype, so -- and I very focus my last putt.

**Q. It looks like you had 25 putts out there today, which is a very low number.**

YAN LIU: Oh.

**Q. Anything you've been working on with your putting?**

YAN LIU: You know, I just practice a lot my putting, yeah. Like two hour a day, yeah.

**Q. And then you're an LPGA Tour rookie this year.**

YAN LIU: Uh-huh.

**Q. What does this mean to play so well out here?**

YAN LIU: From the season is start I didn't play well couple tournaments, so I -- actually I lose a little bit of confidence.

Last week I talk with my family and my coach, and he just tell me, you don't need to watch cut line. You need to try to win and get middle.

So I just try to win, yeah.
