### Quick Quotes

#### **Q. What was the biggest challenge out there today?**

JESSICA KORDA: You know, the greens are -- around the greens it's pretty tight, and I got into some bad positions, and, you know, it needs a miracle to hit some of those shots. I saw Patty hit one early in the round, and kind of similar on 12. It just gets really, really tight around the greens and it's soft, so it presents quite a challenge when you get into the wrong spots.

But other than that, I had a pretty decent day. Definitely got a bit windier towards our back nine. Kind of gauging the wind was a challenge, but I'll take an under par round any day of the week.

#### **Q. This is the first time seeing you out here on the LPGA since the Founders Cup. How have you been spending your time away?**

JESSICA KORDA: I had only a couple weeks off, which was super nice. Yeah, I mean, just been hanging out at home. It's so nice to be home for a little bit, especially with how busy the summer was. Just enjoy being home with my friends and seeing everyone again.
