## Jennifer Kupcho

### Quick Quotes

**Q. Jennifer, the disappointing finish there at the last, but you really held your own with Lexi Thompson all day along. What was the atmosphere like out there between your group?**

JENNIFER KUPCHO: It was really fun. We were both playing really well. She had obviously has a lot of fans out here and there is not many out here for me, or at least that I hear.

So it's a little bit hard to keep myself going when she's making all the putts and I can't get them to fall.

**Q. What's the motivation that you lean on to be able to keep it going and put yourself in this position come Sunday?**

JENNIFER KUPCHO: I'm just really competitive. I always have been, and I think that's the biggest thing. Yeah.

**Q. You've had five Top 10s this season; putting yourself in position. What do you feel like you learned from those that can help you here tomorrow?**

JENNIFER KUPCHO: Just to do what I can and control what I can control. I can't control what everyone else is doing, so I think that's the biggest thing I've learned the couple times that I been in really close contention.

**Q. Another good round today. I know it wasn't the way you wanted to finish. How do you feel about your third round here at Pelican Women's Championship?**

JENNIFER KUPCHO: I mean, I played really well. Didn't hit the ball quite as well today and didn't make quite a many putts, but, I mean, in relation to the scores I shot last couple days, it's pretty much the same.

So pretty proud of myself.

**Q. What have you been working on to build the**

**consistency to put yourself in a position that you've been before? You've had five Top 10s this year.**

JENNIFER KUPCHO: Nothing really specifically. Just relax and go play. Really just being out here the couple of years that I have been it's turned more into a job.

So I think recently this year just making it more fun instead of so much a job.

**Q. How do you go about doing that? Do you try and get more aggressive? Do you and your caddie talk a little more on the course? What do you to make it a little bit more enjoyable for yourself?**

JENNIFER KUPCHO: Yeah, I mean, obviously playing well makes it a lot more fun, but I think just practicing quick and to the point instead of so much all the time, I think that's been the big thing for me the last couple weeks.

**Q. Again, not an unfamiliar position for you. Five Top 10s this year. What are some good vibes, good juju you're taking with you into tomorrow in contention on Sunday?**

JENNIFER KUPCHO: My ball striking this year has been really good, and, I mean, all year I've been hitting it really well. The second tournament of the year I took second, so to know that I can still do it is exciting.

**Q. You said you were playing with Lexi and the hometown crowd, hometown girl.**

JENNIFER KUPCHO: For sure.

**Q. How do you feed off that electricity in a group you're going to have a lot of it tomorrow?**

JENNIFER KUPCHO: Yeah, I mean, they're both from Florida, so, I mean, I just go out there -- being from Colorado I hardly ever have hometown fans so I'm pretty used to it not having a tournament anywhere there.

So just relax. And, I mean, they make a lot of putts, so you still hear the cheers.

**Q. So do you kind of feed off that good energy?**

JENNIFER KUPCHO: Oh, yeah, for sure.
