Q. Lilia, another great round of golf from you today. It's been one of those years that's absolutely magical for you golf-wise. How's it been walking in those shoes playing the golf you've been playing?

LILIA VU: I think I'm just trying to enjoy where I am. I think when I'm going through a long stretch and I'm not playing well it's because I'm not having fun and being hard on myself.

This week I made a point to have fun. I really enjoy this type of golf course, playing one shot at a time. This course is not easy by all means. It's kind of difficult, so just helps me be disciplined and play one shot at a time.

Q. In the running for Player of the Year this year. Is that something you think about much?

LILIA VU: I was thinking about it before but not anymore. I think I tend to do well when I try my best at each tournament.
