### Quick Quotes

**Q. All right, here with Weiwei after her final round here at The ANNIKA driven by Gainbridge at Pelican. Phenomenal week for you. 11-under. Take us through the week. What were some of the highlights out there?**

WEIWEI ZHANG: I think for today highlight is No. 9. On the No. 9 hole I just made a like impossible putt like 36 feet, and downhill and big hill.

And I don't know how it made it, but just like so impossible and surprise me, yeah.

**Q. And then knowing you were on the outside of the top 100 coming into this week, how much of that was a motivation to now play your way to keeping your card for next year?**

WEIWEI ZHANG: Yeah, I mean, I have a lot of pressure before this week, but actually I have a lot pressure like whole year on this year, but before this week I just talk by myself and I just say, just relax. You are ready.

So don't think too much and then just enjoy the game. Yeah. And then I did it, so I'm so happy for that.

**Q. What will you take away from this year heading into next season?**

WEIWEI ZHANG: I'm going to training, yeah, in the wintertime, and maybe two weeks off and then I'm going to work harder. Yeah.

**Q. Was it a different type of pressure today? Coming into the week you were trying to keep your card; today you had a chance to win the golf tournament.**

WEIWEI ZHANG: I mean, today I know I'm going to very, very nervous today, and I have a lot like mistake today. I just tell myself just calm down. You are doing great. Enjoy golf. Watch Nelly play golf. Yeah, and I'm so happy play with Nelly.

So, yeah, just very enjoy today.

**Q. When you see Nelly play as well as she did today, five consecutive birdies on the back, what goes through your mind?**

WEIWEI ZHANG: Just like she's a machine, yeah. Just like why so easy there? Yeah, I just thinking oh, maybe next time I can do that. Yeah, I can do same shots, same round, same hole with Nelly, yeah.

**Q. Was there something you could actually take out of the round today from playing with Nelly and with Charley, two at the top of their games right now?**

WEIWEI ZHANG: No, first time.

**Q. What do you take away from it though? Are there things that you watched that you learned? Can you learn anything while playing with Charley and Nelly?**

WEIWEI ZHANG: Oh, yeah, they look like no emotion. Yeah, so that's I can learn from them just like they just like every shot just no emotion. Just hit. Just like very focused every shot and just like ever shot same.

Yeah, I have to do next time.

**Q. Nelly doesn't get nervous, does she?**

WEIWEI ZHANG: No, look like never, yeah.
