Quick Quotes

Q. All right, Hannah, got a few questions for you. First of all, congratulations on the Greg Norman Medal. What does it mean to win that again for the second time, right?

HANNAH GREEN: Yeah. I was fortunate enough to win in 2019 after my I guess major championship in Portland. So, yeah, it's nice to finish the year with another trophy that can go in the cabinet.

But obviously tough to win. Not easy. Luckily I did have a few wins this year to be able to capture that. Minjee and Cam and Jason, all those guys, you know, it's tough to win. Super special.

Q. Speaking of multi-win seasons, this is another one for you. If you could just cap off the year overall what would your thoughts on this season be?

HANNAH GREEN: Oh, no, it's been great. Even though I have had I think three or four weekends off it's been a consistent year. Feel like I've been in contention even when I haven't had the three wins, so that's always a positive.

Yeah, I don't know. Just felt really motivated at the start of the year and it was nice to see that the results and the hard work that you put in to the pre-season and obviously throughout the year pays off.

It's been a different year because of the Olympics I think. I haven't played as much as I would typically in a season. So still feel a bit tired, but it's nice to finish here at CME and obviously have such a big prize.

Q. What are you looking forward to during the off-season? And then looking into next year what excites you about next season?

HANNAH GREEN: Yeah, so my sister-in-law is actually getting married in January, so I'm very excited about that. Got a couple weddings to go to. Just excited to be with my

family and friends and just have a bit of a routine I guess, which is not a golf routine.

But I'm looking forward to all the major championships. They're always ones we look forward to going to; obviously the prestigious golf clubs we play, looking forward to that.

I think also defending three times will be really fun. Wilshire is obviously not on the schedule this year, but I'll try my best at El Cab.
