## Jin Young Ko

TV

**Q. No surprise to see Jin Young Ko right here in the mix again in a place where she has won twice before. What have you learned you have to do well around here at this golf course to be successful?**

JIN YOUNG KO: I mean, yeah, I have great memories here. I was learning so many things from like since like last four years.

And, yeah, I love this golf course. Today was a little chilly and breeze so much, so was little tough to calculate the distance.

But it's so much fun to play here and I'm thankful to be here, top 60 of the year.

**Q. I'm sure you're thankful to be back here. You've dealt with injuries at this tournament last few years. Knee, wrist. How are you feeling physically here this week?**

JIN YOUNG KO: Yeah, I had so much pain last year from my knees and wrist, but this year I don't have any injury for this year, so it's really, really thankful being here. Like whole body is like perfect right now, so I'm very thankful and very happy.
