Quick Quotes

Q. All right, here with Jasmine after a 6-under round today; bogey-free out there. Just talk about how it felt out there for you.

JASMINE SUWANNAPURA: It feels pretty smooth. There is couple hole that I need to really up and down and luckily I make all up and down today.

So it just keep going and find more chance for birdie.

Q. Yeah. How would you compare today's round to the last two days?

JASMINE SUWANNAPURA: Less struggling. (Laughter.) The first round I feel like it's a little bit gusty and windy.

Today it's still windy but a little bit more calm. Still tricky, but I end up in a good side of the green and not too hard to make a par or birdie today.

Q. And being one of the top 60 players in the field this week, what's it been like to be back at Tiburon and playing here?

JASMINE SUWANNAPURA: Definitely love to come back here every year. Coming here to CME, it's a big success here for you me. Always love to come back, playing good golf, and always grateful for CME to pay so much money for us and having us here this week.

Q. Just talk about wrapping up the season this week. What has the season has been like for you? Got another win. Talk about it from your perspective.

JASMINE SUWANNAPURA: I mean, I'm kind of starting the year pretty slow, really, really slow. You know, we had a change after Boston. My husband on the bag, and he always told me look I really want to see you win. I don't have to be like your caddie or anything.

We got it done in Arkansas and it's unbelievable for me and him to experience that. Since then my game has been

pretty good. It just depends on if I can drop some putted out here or not.

Q. Talk about having your husband caddie for you. What's that has been like and why do you think it might work so well?

JASMINE SUWANNAPURA: I think I'm a feel player, so even though the condition was hard and hard to figure out the club selection or make decision, in the end like I have a 100% on me. If it's good, it's on me. If it's bad it's on me.

So there is no expectation or second opinion or second choice out there, so it is what it is. I feel like I can commit to my shot and then most likely the shot will come out good.

Q. And heading into the off-season - I know we have one more round - but any plans that you're looking forward to to reset for 2025?

JASMINE SUWANNAPURA: Firstly, my couch at home. Secondly, we'll go have a good Thanksgiving and be up north with his family, have some Christmastime in the snow.

Start again in TOC in January.

And, by the way, I'm going to be the Janet, Xiyu Lin, her bridesmaid. She's going to get a wedding in January 8. No, sorry, February 8.

Q. Very exciting.

JASMINE SUWANNAPURA: Yeah, same week with Founders so I'm not going to play Founders. We are getting together some parties going on in January. It's exciting to look forward to.
