### Quick Quotes

**Q. In Gee, what a great first round here at Diamond Resorts Tournament of Champions. How do you feel after a wonderful round and six birdies?**

IN GEE CHUN: Surely I had a great 17 holes. I just had one bad tee shot, so I really like my game today. And I really enjoyed play with Maurice Allen and the amateur. I had a great round today.

**Q. You mentioned early this week you wanted to play with Maurice Allen and you got paired with him. How is it now that you got paired with him?**

IN GEE CHUN: I want to see how far hit than me, but actually he got a little hurt his hands so he couldn't hit far.

But we had a great time. We had a great chat. So I had fun today.

**Q. Did you ask him how he hits it so far?**

IN GEE CHUN: No, but I said, I keep watching you, how you use your body transition.

**Q. Because he's shorter than you.**

IN GEE CHUN: Maybe.

**Q. Maybe.**

IN GEE CHUN: Yeah.

**Q. You bought a house.**

IN GEE CHUN: Yes.

**Q. Tell me about it.**

IN GEE CHUN: So I bought house in Dallas couple weeks ago, because Sei Young and I in same community, so when we play VOA she send me a link to a house. Maybe

come to my place. Maybe we going to have more fun if we stay together like in same city.

So when I look the house, it was great. Then I really want to house in U.S. and I can have more good rest in the U.S.

So...

**Q. So very few people know that you have commuted to Korea since you first came over.**

IN GEE CHUN: Uh-huh.

**Q. That's not like commuting down the street. That's the other side of the world.**

IN GEE CHUN: But I had a good friends in the U.S., even my host family. So when I had off week I always go there, just see my friends and my host family.

It was great. But now I think now I have to buy a house here and then I can make more commitment on the tour if I make a good rest here.

**Q. And your swing looks as good as it ever has. Ball is higher; seems to be flying farther. What have you done?**

IN GEE CHUN: I been working hard. I know everyone been working hard during the winter, but do you remember when I got interview with you last year?

**Q. Yes.**

IN GEE CHUN: After that honestly I feel little sorry to you. I was lying. I was not perfect. I was not ready to play golf again with great condition. But I said I almost getting back, but it was not.

But this winter I try working hard and then I try to keep listen to what my mind said. I keep trying talk with my coach and my mental trainer. We work really well. Now I can say I almost there, so that's why I can play better on the course.

It was not the shot problem. Last year was from more mental. Now everything is good.

**Q. Confidence is much higher now, yes?**

IN GEE CHUN: Yes. So I couldn't enjoy to play last year, even like couple year. But even still I have a little like mood problem, like my mood is going up and down a little bit.

But much better than last couple years, so I can make good focus on my game and I can enjoy play on the course. That makes help a lot, yeah.

**Q. You started off of 10 with a birdie. Did you feel really good from the 1st hole?**

IN GEE CHUN: I don't know why, but I was still nervous before start. So the tee shot was going to the left, then after that, Okay, In Gee you can do it. Just have -- enjoy to play.

The putter, I change the putter last year, and it works really well. So I trust my short game and putting. It works really well, so it was a great start.

**Q. It was a really good start, and also a really strong finish with six birdies. Thank you so much and good luck for the rest of this week.**

IN GEE CHUN: Thank you.
