Quick Quotes

Q. First off, you were able to fight back after the front nine with an amazing back nine with three birdies there. Playing with Annika, I know you have a special relationship. This was technically only the second time you played together, correct?

ANNA NORDQVIST: Yeah, I had asked if she wanted to play a practice round with me this week because I never played with her, so it was awesome to get the opportunity to play with her on Monday, and obviously to be able to tee it up.

I admire her so much, and just to see her in person playing, I know she hasn't been practicing too much, but you can tell the level she's been at.

This is going to be definitely one the more memorable rounds in my career.
